WHITE NOT YOUR CUP OF TEA? STAGE YOUR HOME IN GRAY INSTEAD!

even the most modest furnishings.” Zimmer says that gray can be a great color choice for embellishments throughout interiors, such as a gray wash on wood furniture or the fabric in seating. In her 2014 color forecast, she expects grey to be used more in homes. “We will even see gray’s flashier cousin, silver, used as an important accent color,” says Zimmer. Zimmer also predicts “white” to stage a comeback in 2014, with white and off-white back in vogue. “As with gray, the ease of coordinating furnishings with a neutral hue like white is appealing to almost everyone,” she says. “Those who are downsizing will favor white or very light-colored walls to make their new, smaller interiors look more spacious; and for those who may soon put up a ‘For Sale’ sign, white is the wise paint color to apply before listing a home.”

THE POWER OF GRAY IN STAGING

Gray is a subtle color that can bring sophistication to interiors while also the neutrality that home buyer crave. “It’s the hot new neutral, a sleek and sophisticated color option that adds refinement to almost any room,” says Debbie Zimmer, a paint and color expert with the Paint Quality Institute. “Walls that are painted gray are great backdrops for almost any style of décor, and gray is such a dignified color that it can elevate the appearance of

What was once a cramped condo kitchen has been opened up to allow for a free flow of conversation and activity. Perfect for entertaining, the new space combines style and function in a small space that serves as the kitchen, bar and dining area. Textured veneer cabinetry, bright white engineered quartz countertops and large porcelain "wave" tile backsplash lend sophistication to this beachfront retreat overlooking the Atlantic Ocean.

Allied Kitchen & Bath's mission is to provide the finest kitchen, bath and home remodeling services to clients. By offering the highest quality products and materials, excellence in workmanship, and design creativity, in tandem with forward-thinking and a focus on family and safety, Allied Kitchen and Bath turns remodeling dreams into realities. The kitchen was a very important space in this renovation. It has now doubled in size from the original plans which created more functional task-working space. The espresso finished raised panel cabinets created a beautiful contrast with the onyx counter tops and mother of pearl backspash. Polished Chrome 8" pulls were used that added a nice contemporary element to the design. As you can see, the counter space is designed at one level to enjoy a meal at counter height vs bar height. Another requirement that needed to be filled was to have a functional island large enough to store dishes as well as non perishable foods. In this island all the drawers and doors are soft closing with pull outs. Fine Art lighting was used in this space to keep a warm toned feel to the kitchen.

Sherri has been designing for 10 years throughout South Florida from Palm Beach to Brickell avenue, Miami. Her specialty is high-end residential projects including private homes in gated communities such as Admirals Cove, Harbour Beach, Hawk's Landing, and many more. "My goal as a designer is to create a look for my clients that is unique and special and always incorporate their needs, requests and personality into every project," says Goode.

A Passion for Contemporary Design and Art

INTERIOR DESIGN

Toby Zack

Hollywood, Fl

954.967.8629

PHOTOGRAPHY

Dan Forer, Miami, Fl.

The contemporary designs of Toby Zack and the owner's vibrant art connection created a posh spirit to the home in Royal Palm Beach County Club, Boca Raton, Florida.

The couple lived for many years in a luxury ocean front condo. After deciding to move to a home, they knew exactly what they wanted. Their dream house had to be on one level, 3500 to 4000 sq. ft., four bedrooms, and an open floor plan and needed to have big windows to create light and brightness. Built in 1995 is one of Boca Raton's finest neighborhoods. This house fit all the desired criteria's.

The couple hired Toby Zack Designs, long considered the best for contemporary design in South Florida to create a sophisticated interior, design the patio area and changes to the front entry to achieve this goal.

- CONTINUED ON NEXT PAGE -

The owner says she loves the house more than ever and is excited every time she walks in.

Zack, working with her design team of Carolina Velasquez and Jose Arango Toby selected and created pieces that resulted in a contemporary, one of a kind home much as she has done for years in Florida, Canada and South America. The home was renovated from top to bottom starting with a new roof, impact glass windows, fresh landscaping, travertine tiles and a new summer kitchen for the patio.

The interior was treated by removing the faux fireplace, sanding and sealing the original travertine floors. Quartz replaced granite in the kitchen and the master bath was completely redone. The owner says she loves the house more than ever and is excited every time she walks in.

Toby designed a fabulous living room scene with a custom made A. Rudin white sofa and four wood framed chairs all covered in high quality Sunbrella fabric. The homeowner says "Everywhere you sit is extremely comfortable" I chose Sunbrella so we did not have to worry the dogs, grandchildren and even a red wine spill.

The art is featured prominently in this room and throughout the house. The oil canvas "Gigi" by artist Nguream is a living room focal point for its size and vibrant colors. Other artwork includes a figurative sculpture by Lawrence Feir and a Pion Sigaretto glass sculpture purchased at Murano in Venice by the couple. The small table of ebonized Asti with bronze legs is by Antoine Provlx from J. Batchelor.

(above) The homeowner likes to entertain Toby understood the design of this space was a priority. Toby chose a striking fixture to hang from the sixteen foot ceilings while sheer draperies softly filter daylight through the large window, Toby chose a square textured black oak dining table from Abitari which is offset with white Pellizzoni leather Chairs from the Toby Collection. The table can seat eight.

The wall space was designed to maximize the space, a low white custom buffet replace two bulky display cabinets. The art chosen was the clean pared down look of "8" a large still life by Begian artist Rene Chavelle. On the other wall hangs "Sublime" an oil painting by Buddhi.

(right) Toby designed a custom made bar with open wall storage. Leather barstools by Pellizeoni from The Toby Collection. Custom made chairs and a sofa from the Toby Collection is covered in Sunbrella fabric.

- CONTINUED ON NEXT PAGE -

Toby designed a media area where family and friends can meet in a friendly, relaxed atmosphere. The custom sofa and chairs are from The Toby Collection covered in Sunbrella fabric. The 96" sofa back table in fine grain oak from The Toby Collection is a subtle room divider. The leather ottoman is from Edelman Leather. The organic painting "Waterway" by Miguel Reves accents the informality of the space.

- CONTINUED ON NEXT PAGE -

The comfortable, custom designed master bedroom suite features custom made furniture from The Toby Collection. Dark, fine grain oak bedside tables feature Swarovski crystal knobs. The bedside tables have brushed metal lamps with simple white shades. The dark ash hardwood floors show the paler shades of the Pratesi duvet, headboard and bench in champagne colored silk. The linen armchair and ottoman are from The Toby Collection. The artwork is "Earth and Sky" from Miguel Reyes and "Woman in Pearls" by Ngu-rafi.

Toby transformed the original into a contemporary designed show stopper. The tub was moved from the window alcove to a free standing location with Dornbracht faucets. Chrome, offsetting square sinks, quartz countertops and mirrored wall created a feminine feel. The walled shower, smart toilet and a duvet create a spa atmosphere. An African Ashanti stool from The Toby Collection gives some contrast. The Kartell chair in black and white in which the owner likes the hearts in the fabric design.
